
Children Ministries

The mission of the children's programs is to help children learn about God, to grow in their faith, and to understand that God loves them very much! Our programs provide an introduction to all of these missions through fellowship, fun, and Bible studies.

Sunday School classes begin at 9:45am and are offered for age 2 - grade 6 by loving, caring teachers in the education building. Nursery Sunday School and Nursery care are located on the first floor of the education building, while other children's Sunday School classes are on the second floor. Nursery care is provided during both services and the Sunday school time.

Children are included in worship services by serving as acolytes (2nd – 6th grade) and during the children's sermon. Through out the year, children actively participate in special presentations, pageants, music and holidays. Children are always welcome in worship.

Our Wednesday after school program is called Pioneer Club and meets immediately after school until 5:30pm. We provide transportation from the three Gonzales elementary schools, play time and a hearty snack. Then, our children break into groups divided by grades: 4yr-Kindergarten, 1st-2nd grade, 3rd-4th grade, 5th – 6th grade. Bible stories and Bible verses, application, music, crafts, science, life skills, and related games all happen in class time. Two teachers are in each class room and nursery care is provided for our volunteers with little ones. A registration fee is charged for this program to cover the cost of snacks through out the year. The kids love this program.

Our summer months are filled with Vacation Bible School, camps, fun activities and service projects. Through out the year, we take other trips around the community and area.

With love and blessings,
Willa Keck
